A stunning Yquem (Botrytis Semillon Sauvignon Blanc) A laser beam of acidity & lemony botrytis lifts & extends the extremely pure aromas & sweet flavours of tangerine, vanilla, pineapple & minerals. This 2014 vintage has an outstanding textural finesse, delivering an amazing mouthfeel that is both creamy & intense, perfectly balancing the acidity & sweetness.

Drinking a glass of Yquem is an experience in itself but also pairs beautifully with a not-too-sweet crème brûlée, fruit-based dessert or cheese board.
